

- Audience:** K-14 Educators
- Location:** Edward Teller Education Center (ETEC)
 (Adjacent to the Lawrence Livermore National Laboratory)
 At the intersection of Greenville Road and East Gate Road, Livermore, CA
 See web site for driving directions and map.
- Cost:** No cost
- Registration:** Registration must be conducted online at <http://education.llnl.gov/technology/>.
- Accreditation:** Participants can earn up to two semester units of academic credit from the University of San Diego. See the web site for details.
- Program:** The workshops are designed by educators for educators. The course designers/instructors are experienced science and mathematics educators who have integrated computer technology into their curriculum. The workshops are built around a "hands-on" approach to learning. Approximately 25% of the time spent in the classroom is devoted to lecture and discussion. The remainder of the time is spent developing skills while creating products you can use in your classroom.
